◆Caution! Beware of fraudulent emails arrogating Takenaka Civil Engineering & Construction Co., Ltd. or the company's executives.

We have recently become aware that somebody is sending fake, phishing and spoof emails with the company name Takenaka Civil Engineering & Construction Co., Ltd. or a company's executive.

We have nothing to do with such emails.

The emails ask recipients to reply to the sender, there are risks if you reply to such emails, such as;

- Being victim to fraud
- Somebody stealing your personal or otherwise important information
- Your computer being exposed to virus

Please do not respond to such emails but delete them from your computer.
